

ROAD READY

PHONE QUICK GUIDE

A calm, private setup for the run ahead.

START HERE

1

Set up the run

Enter a name, date, origin, destination, appointment, and only the details worth keeping close.

2

Log daily miles

Use the Miles page to enter each day. The weekly total updates automatically as you type.

3

Capture paperwork

Take a receipt or BOL photo, or upload one already on your phone. Share only when you choose.

4

Keep it yours

Trips, notes, and miles stay in this browser on this device. Download a backup before changing phones.

PRIVATE BY DESIGN

No accounts. No ads. No tracking.

Road Ready does not automatically upload or share your information. You choose what leaves your device.
